

Dear Mr. Dennison:

On behalf of the Assumption Athletic Department, we would like to express our sincere gratitude and appreciation for your donation to our first fundraising dinner on October 29, 2009. This successful and most enjoyable event raised much needed funds to enhance our athletic programs. In addition to fundraising, the dinner brought the parent, alumni, staff and friends of the Assumption Community together in an evening that was conducive to forming new friendships and enhancing existing ones. Thank you kindly for your generous support of our Crusaders!
